Neuro Ophthalmology Educational Course

In collaboration with
The Department of Neurology Cairo university
**The Egyptian society of Neurology,
Psychiatry and Neurosurgery**

Conference
22nd | 23rd January 2026
InterContinental Semiramis
Cairo, Egypt

A two-day clinical immersion with world-class experts.

This intensive, interactive course offers a practical update on the most relevant neuro-ophthalmology topics, blending lectures, case-based discussions, and hands-on workshops. International leaders in neuro-ophthalmology, neurology, ophthalmology and related specialities will share cutting-edge knowledge and techniques.

Audience: Neurologists, ophthalmologists, residents, and health care professionals fascinated by the neuro-visual interface.
